## TESTIMONIALS

I have been taking treatment from Mme. Martin for about three months. My hair has grown wonderfully—three inches. My scalp is perfectly clean of disease, which was never so before. Sanitary Hair preparations have given me perfect satisfaction. I recommend them highly.

MRS. KATIE BROOKS,  
2112 W. Prospect,  
Kansas City, Mo.

I began to use Madam Martin's "Sanitary Hair Preparations" March 1st, 1915. I can positively say that

her preparations are wonderful. Before using my hair was very thin on account of my bad scalp, but now it is thicker than it has been for years and it has grown several inches since March 1st, 1915.

MRS. G. H. SMITH,  
3406 E. 6th St.,  
Kansas City, Mo.

Madam Martin's "Sanitary Hair Preparations" have produced results that no other preparations have done. My scalp was in a very bad

condition; my hair was about 1 1/2 inches in length, but after three months' treatment with Mme. Martin's Sanitary Hair Preparations my hair has grown 3 1/2 inches.

For many years I tried many other preparations, but found nothing that would heal my scalp and grow my hair, until I used Mme. Martin's Preparations. I highly recommend them.

## NOTES ON WOMEN'S WORK.

Among the many interesting women's conventions which are in preparation to be held this year, one very close at hand is that of the Northwestern Federation of Colored Women's Clubs, which will convene at Wichita, Kas., June 7-9.

A knowledge of the program indicates that they will be a very busy set of women and we are hoping for splendid results. Looking to the benefit and advancement of the cause for which they are organized.

Among the northwestern States interested are Arizona, California, Colorado, Iowa, Indiana, Kansas, Kentucky, Minnesota, Missouri, Nebraska, Ohio, Wisconsin, Wyoming and Illinois.

Meeting at the same time as the national conventions at Chicago, this convention takes on a peculiar importance. Mrs. J. Snowden-Porter of Illinois is president and Mrs. J. B. Rush of Iowa, secretary.

Delegates will send their names and addresses to Miss Stella Turner, 518 N. Water street, Wichita, Kas., chairman of the Placing Committee, and she will send assignments. Entertainment will be free and the women of Wichita are sparing no pains to sustain their reputation for hospitality. When the convention is over, each one will be glad to have had a part in it.

## Fifty Years of Masonry

By Joe E. Herriford, P. M.

### Chapter 35.

The convening of the Grand Lodge Aug. 5, 1908, at Hannibal was a sort of celebration extraordinary. It gave the first opportunity to all the brethren to inspect the newly established Masonic Home which was then in perfect operation and firmly established as an institution of the craft. Hannibal also was the home of Past Grand Master Pelham. He had for many years been principal of the local school and had established himself as one of the foremost educators of the country. In the city his respect was not limited to his own people, but he stood out as one of the most progressive and intelligent men in the community, being well versed in politics and law and of wide manifest capabilities.

Nor should we forget that for many years the new Grand Master, Dr. M. O. Ricketts, had made his home at Hannibal during his boyhood, and it was in a fitting sense a real home coming to him.

Dr. Ricketts took charge of the administrative affairs of the Grand Lodge with confidence in his own powers and with the complete support of the brethren. For many years he had been foreign correspondent for the jurisdiction and had made a nation-wide reputation for his exactness in Masonic law and jurisprudence. As a writer he had few superiors, his lucid, terse style as well as the sparkling brilliancy which it carried made his criticisms of Masonic procedure the bright spot in the transactions of the Round Table scribes.

JOE E. HERRIFORD.

In this respect, too, he had been of vast service to the Grand Lodge of Missouri, keeping its work constantly square, and even the subordinate lodges had become accustomed to consult his opinions in all matters of doubtful nature. Upon his elevation to the highest office he appointed to succeed him at the Round Table Bro. Joe E. Herriford, who continued to occupy the place, though with lesser distinction, for six years following.

There was not much constructive work to be done at the Hannibal session. Each of the departments was in a healthy condition and the names of over 4,200 brethren were upon the roster of the Grand Secretary.

In his first annual address Grand Master Ricketts reported the organization of three lodges, one of which, Ideal No. 70, introduced George W. K. Love, W. M., as a new member of the Grand Lodge. Brother Love was an excellent type of young manhood and practical scholarship, having for several years been connected with the office of the city treasurer of Kansas City. He at once became a most highly valued member of the body and was soon destined to fill the office of Grand Lodge secretary, which place he still holds with brilliant distinction. Destiny fully measured up to his deserts and spared no time in so doing.

The Sunday nearest the anniversary of St. John the Baptist was appointed as a day upon which Masons should be allowed to publicly turn out for religious services, a practice which had hitherto been much in vogue among the brethren and which, though officially sanctioned, is not as yet very popular. The practices of symbolic Masonry do not lean strongly toward any form of public demonstration which does not carry with it the idea of established Masonic ceremonies. This is in no wise an indication of the lack of religious zeal among the brethren. In fact, contrary to the quips of many non-Masonic writers, Masonry is the very embodiment of the most cogent and practical religious virtues, its tenets of friendship, morality and brotherly love as well as the ever present doctrine of the Fatherhood of God being the highest evidence desired.

Upon a recommendation from the Grand Master the Grand Lodge adopted the blanket form of ballot in the election of grand officers, thus greatly shortening and simplifying the process and rendering it less possible for a member to run for more than one position.

In the election at Hannibal there was but little excitement, the Grand Master being unanimously reelected and most of the other officers being similarly honored. It was announced that the Heroines of Jericho as well as the Eastern Star ladies had formally pledged a stated amount of support to the Masonic Home. The Grand Lodge inspected the Home premises and the meeting ended with great enthusiasm and support of the institution. St. Louis was chosen for the next session.

## MID-WEST Tailors, Cleaners and Dyers

Little do millions of people realize that the garments they wear may be laden with germs which carry and spread disease of every kind and nature.

A moment of earnest reflection upon this subject will at once disclose the fact that one's outer clothing comes in almost continuous contact with germ elements that have their source of entry to the body through the clothes we wear.

Pressing clothes by hand with the half rotten sponge or dirty press cloth is adding fuel to the fire of contagion, but to have your clothes pressed the Hoffman sanitary way is positive assurance that they will be thoroughly sterilized.

Every square inch of your garment will be treated with clean hot dry steam without scorching, burning or glossing it. This process of pressing also raises the nap, brings out the color, sets, cures and dries the fabric, producing a newness in appearance as well as lengthening the life of your wardrobe.

Boards of Health and Physicians have time and time again recommended and endorsed the Hoffman Sanitary Method of pressing wearing apparel.

And the particle of information that Clothing Manufacturers have taken the precaution to Hoffman Press and Sterilize their product is more than ample justification to warrant you in patronizing us.

Eventually you will realize the immense value of the service we offer, so why not begin now to enjoy it?
